Executive Summary

Lebanon Methodist Church is requesting to amend CUP-16-00 to allow a school within existing church buildings:

- A new private school has requested to lease space to temporarily locate at the Church until a permanent location is secured elsewhere.
- The Church requests that the use be allowed to continue after the current school vacates the Church.

No changes to the exterior of the buildings or the site are proposed.

Outstanding Issues

No known outstanding issues at this time.

Motion

I move that the Board of Supervisors:

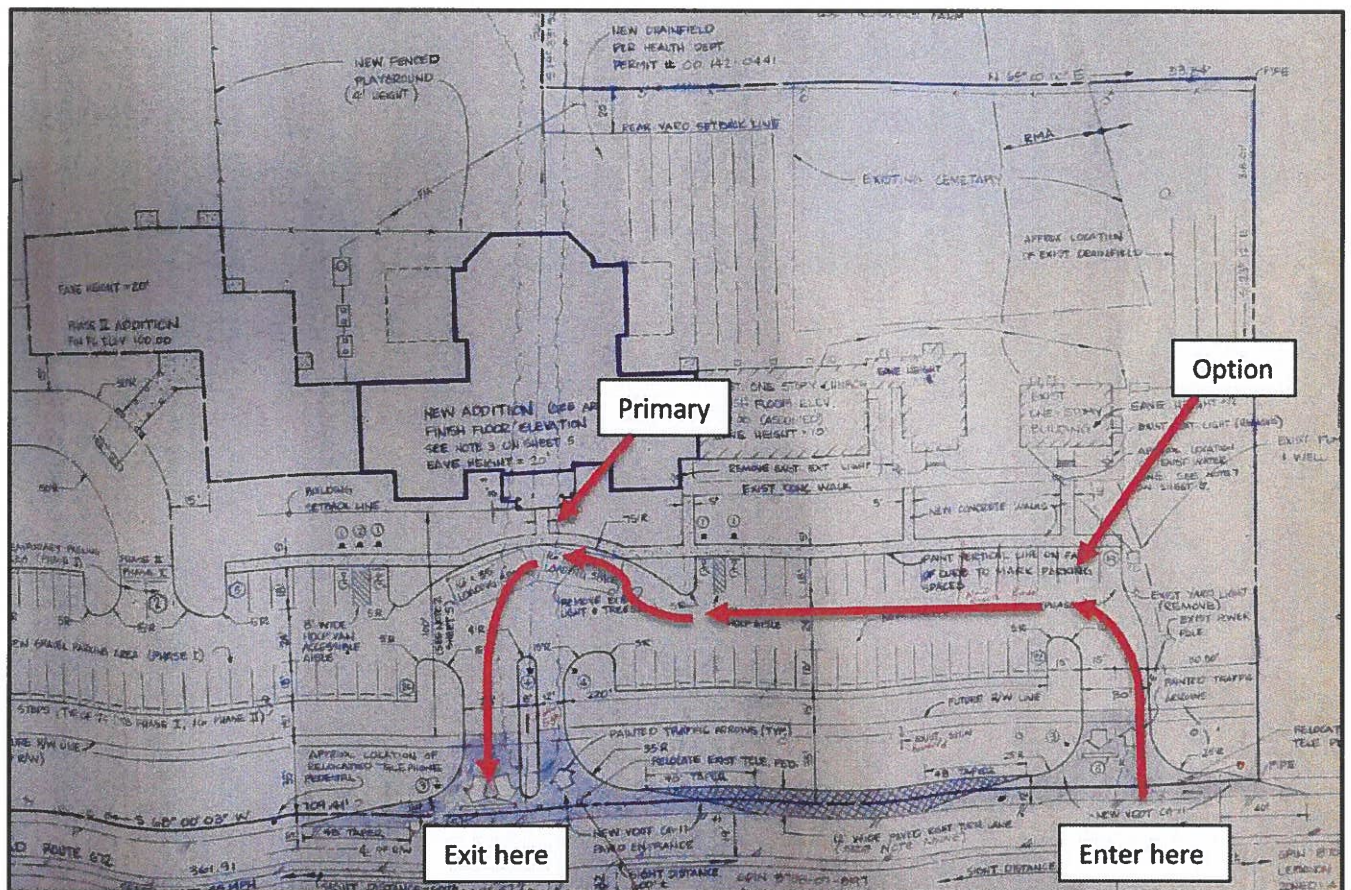

- a. Approve CUP2024-00003.
- b. Deny CUP2024-00003.
- c. Defer CUP2024-00003 until the Board of Supervisors' July 24, 2024, meeting.

Planning Analysis

Lebanon Methodist Church is requesting to amend its Conditional Use Permit to allow a school to use the existing church buildings and playground. A new private “micro-school” has approached the Church with a proposal to lease space to temporarily locate at the Church until it has acquired its own space elsewhere. No changes to the exterior of the buildings or the site are proposed.

The prospective private school proposes up to fifteen (15) students only; however, with this amendment, the Church is requesting to continue the school use and lease to another school after the current prospective school vacates the facilities. Staff is recommending a condition that limits the number of students in the school to no more forty (40) students to minimize impacts to the community related to traffic, noise, and lighting. A request for additional students will require an amendment to this Conditional Use Permit.

Sketch Plan

The submitted sketch plan is the approved site plan, which shows the following features:

- The existing layout and parking are shown. The plan has been amended to demonstrate the proposed traffic circulation for the school, and the two options for student drop-off or pick-up.
- The portion of the building with darker boundary lines includes the current sanctuary.
- The Phase II addition to the left side of the sanctuary has not been built.

- The one-story additions to the right of the sanctuary, as well as the existing detached one-story building on the far right, will be available for the proposed school use.

Compatibility with Surrounding Area

Lebanon Methodist Church is a small church that has been located at the corner of Peaks Road and Stumpy Road for several decades. This area is shown for *Rural/Agricultural* on the Comprehensive Plan and is surrounded by farm and rural residential uses. The introduction of a small school use to the site during the work week will not necessitate any improvements to the site or adjacent roadways, and the conditions will limit how large a school may be. The church currently has two commercial entrances from Peaks Road and has provided a circulation plan for school vehicles that should allow traffic to be removed from the roadway quickly and not cause traffic issues on Peaks Road. School and church uses are appropriate uses in the rural areas of the County, and the introduction of a small school use to the site should be compatible with the surrounding area.

Community Meeting

The applicant held a community meeting on April 16, 2024, at the church. No one expressed any concerns about the proposal at the meeting. No neighbors or citizens not associated with the church attended.

Agency Analysis

There were no substantive comments from any of the reviewing agencies.

Ordinance Required Conditions

In accordance with Article 6, Division 3, Section 26-325, the site must be developed and maintained in substantial conformity with the sketch plan titled, “Addition to Facilities of Lebanon United Methodist Church,” prepared by Robert K. Carter, P.E., dated June 21, 2000, and revised October 27, 2000.

A site plan, prepared in accordance with the requirements of Chapter 26, Article 6, Division 2, of the Hanover County Zoning Ordinance, must be submitted for review and approval prior to commencement of the requested school use.

Recommended CUP Conditions

Note: All conditions remain as approved with CUP-16-00, with the addition of Condition #2 to address the proposed school.

1. The property which is subject of the application will be used only for a church facility and school and must be developed in substantial conformance with the sketch plan titled, “Addition to Facilities of Lebanon United Methodist Church,” prepared by Robert K. Carter, P.E., dated June 21, 2000, and revised October 27, 2000.
2. The school will be limited to no more than forty (40) students. Any expansion beyond that enrollment will require an amendment to the Conditional Use Permit.

3. The existing single-family dwellings will be removed or used as accessory to the church and not as single-family dwellings.
4. The owner will reserve thirty-five (35) feet of right-of-way along Peaks Road (State Route 657) and five (5) feet of right-of-way along Stumpy Road (State Route 654), to be dedicated upon request of the County, free of cost, and free of encumbrances interfering with the use for road purposes.
5. All requirements of the Virginia Department of Transportation, Public Works Department, Health Department, and Building Inspectors' Office must be met.
6. All development and use of the property must comply with all federal, State, and local statutes, ordinances, and regulations.

Planning Commission Recommendation

On May 15, 2024, the Planning Commission held a public hearing regarding this request. No members of the public spoke during the public hearing. Following the hearing, the Commission, on a motion by Mrs. Iverson, and seconded by Mr. Parker, voted unanimously to recommend **APPROVAL**, subject to staff-recommended conditions and the submitted sketch plan.

REQUIREMENTS/ ATTACHMENTS FOR ALL REQUESTS you must submit the following:

- a. **Signature of Property Owner or Contract Purchaser** (Page 3) – If the contract purchaser signs the application, please provide a copy of the signed contract, with all sensitive information redacted.
- b. **Acknowledgement of Application Fee Payment Procedure** (Page 6)
- c. **Adjacent property owners, Board of Supervisors, and Planning Commissioner notification form** (Page 7) – please list all property owners including those across roadways, watercourses, and/or railroads as well as the members of the Board of Supervisors and Planning Commission for the magisterial district in which the property is located. Adjacent property owners, Board members, and Planning Commissioners must be notified prior to submittal of this application. The form must include owners' names, address, and GPINs for all adjacent property owners. (This information is available from the County website or can be obtained from the Planning Department.) The form on Page 9 may be used to notify these property owners.
- d. **A plat of the subject property**, which accurately reflects the current property boundaries. If the full-size plat is larger than 8 ½" x 11", the plat must be folded no larger than 9"x12", and a reduction of the plat must be submitted which is 8 ½" x 11" in size. (Typically available from the County Clerk's Office in the Circuit Court building.)
- e. **Responses to questions on Page 10**
- f. **Historic Impact Information** (Page 11) (This information is available on the County website or may be obtained from the Planning Department.)
- g. **Traffic Impact Analysis Certification Form** (Page 12) In compliance with VDOT's new Traffic Impact Analysis Regulations (24 VAC 30-155 *et seq.*, commonly known as "Chapter 527"), Conditional Use Permits that meet certain thresholds require Traffic Impact Analyses (TIAs). The process for submitting TIAs is as follows: (1) you must submit the number of copies of the TIA required by VDOT to the Hanover County Planning Department with your comprehensive plan amendment/rezoning/conditional use permit submittal; (2) the Hanover County Planning Department will stamp "received" on all copies of the TIA, and will keep a copy for its files; and (3) you must deliver the remaining copies of the TIA to VDOT and pay the necessary TIA review fee directly to VDOT.
- h. **Sketch Plan Checklist (Page 13) and ten (10) copies of the sketch plan and architectural elevations**, folded no larger than 9" x 12", and **1 - 8 ½" x 11" reduction**. Individual sheets should be no larger than 24" x 36". For Filling and/or Grading CUP Applications, a plan should be submitted that meets the Public Works Department's requirements for an Erosion and Sedimentation Control (E&S) Plan. However, please note that submittal of this plan will **not** be considered as a submittal of an E&S plan application. For a checklist of items to be included on this plan, please contact Public Works at (804) 365-6181.
- i. For CUP applications for telecommunication facilities, a **Telecommunications application** must be completed and include all of the required attachments.
- j. **Community Meeting Guide** (Check the box if you have read and understand Pages 14 & 15. **Please note that applicants that schedule community meetings without coordinating with the staff may be required to reschedule the meeting, which may cause the application process to be delayed.**)

ACKNOWLEDGEMENT OF APPLICATION FEE PAYMENT PROCEDURE

Application fees are not accepted at the time of submittal. I hereby acknowledge that this application is not complete until the payment for all applicable application fees has been received by the Hanover County Planning Department. The Hanover County Planning Department shall notify me by mail, at the address listed below, (as well as by email and/or fax, if selected below) of the applicable fee(s) at such time that they determine that the application is complete and acceptable. I acknowledge that I am responsible for ensuring that such fees are received by the Hanover County Planning Department by the Tuesday the week following the application deadline. I further acknowledge that any application fee submitted after this date shall result in the application being considered filed for the next application deadline.

Should the applicable fees not be submitted within forty-five (45) days of the date of the notification letter, it shall be my responsibility to arrange for the retrieval of all application materials. The application and any supplementary materials for incomplete applications that are not retrieved within forty-five (45) days of the date of the notification letter shall be destroyed by the Hanover County Planning Department.

Should my application be accepted, my fee payment will be due by _____. (To be filled in by a Planning Staff member.)

EXPLANATION: (Attach additional sheets, if necessary)

1. What type of use is being requested? We would like to expand the use of our facilities to allow us to host a micro-school.
The school will use existing building and property areas already being used for educational classrooms and recreation
purposes. The school use will simply expand the time frames of typical use to include Monday - Fridays between 8 am and
4 pm during the August to June school year.

2. Briefly describe how you plan to develop the property for the proposed use and any associated uses. _____

No property development will be required for this additional use.

3. Describe why the proposed use is desirable and appropriate for the area. What measures will be taken to assure that the proposed use will not have a negative impact on the surrounding vicinity? (For example, this may include traffic or environmental impacts.) _____
Lebanon Methodist Church has existing classroom and recreational spaces available but which sit empty outside of our
worship based activities. We would like to make these resources available to support faith based, character development and
and educational programs that will benefit families in our community.
There is a desire for alternative, Christian, educational opportunities in our local area.
Our intent is to keep the size of the school small in population based on the capacity in the areas being used. Controlling the
size of the school will keep the traffic and environmental impacts small or negligible. A drop off loop process will be
established to direct cars to enter at the driveway at the far right of our property and to exit at our main entrance.
We will use a combination of communication, training and signage (temporary) to help direct the traffic flow.

4. Are there any deed restrictions concerning the type of use proposed? If so, provide the date the said restrictions expire. (You may attach a copy of the restrictions.) There are no deed restrictions

5. Is the subject property located in a Dam Break Inundation Zone? Yes No (Please contact the Department of Planning or Public Works for assistance in addressing this question.) If yes, please contact the Department of Public Works for further information.

HISTORIC SITE IMPACT ANALYSIS

Please identify any **known or suspected historic resources on both the subject property and adjacent properties**, to include both structural and non-structural resources, such as trenches, cemeteries, and archeological sites. Please include the GPIN (Tax Parcel Number) associated with the resource. Please attach additional sheets, if necessary. Should you need assistance completing this form, please contact the Planning Staff.

- 1. Historic Resource/File No. Cemetery / 42-0280 GPIN 8707-07-7417
- 2. Historic Resource/File No. Lebanon Church / 42-0280 GPIN 8707-07-7417
- 3. Historic Resource/File No. _____ GPIN _____

If you have identified known or suspected historic resources on the subject property or adjacent property, please provide the following information on each site:

- a) Is the historic site listed as a National or State Registered Landmark? no
- b) Is the historic site open to the public? yes for the cemetery, the church is open by appt.
- c) Describe the impact the proposed request will have on the identified historic resources with regard to noise, traffic, dust, vibration, visual impact, and air pollution. Impact would be primarily noise and traffic during the increased hours of use (Mon - Fri) but the volume should be no different than our current use levels during our normal worship activities.

- d) Describe voluntary measures that will be undertaken to help mitigate the impact that the proposed use may have on the identified historic resources. Cemetery and the Historical church area will be off limits to the school.

If there are no known or suspected historic resources on the subject property or immediately adjacent, including structural and non-structural resources, trenches, cemeteries, and archeological sites, please sign and date.

COMPLIANCE WITH VDOT & COUNTY TRAFFIC IMPACT ANALYSIS REQUIREMENTS

The following must be completed for all applications: The selection below is based on a projected daily trip generation of 40 vehicles per day and a site peak hour trip generation of _____ vehicles per hour, based on the stipulations of 24 VAC 30-155. The _____ edition (latest edition) of the ITE Trip Generation Manual was used in determining the trip generation (Code Number _____ and Page Number _____).

Choose one of the two options below:

- I certify that this proposal **DOES NOT EXCEED** 380 vehicle trips per day that would require submittal of a Traffic Impact Analysis.
- I certify that this proposal **DOES EXCEED** 380 vehicle trips per day that would require a Traffic Impact Analysis be submitted.

Choose one of the two options below:

- I certify that this proposal **DOES NOT MEET** any of the VDOT thresholds identified in the Traffic Impact Analysis Regulations Administrative Guidelines (24 VAC 30-155) that would require a Traffic Impact Analysis to be submitted in conjunction with this application.
- I certify that this proposal **MEETS** at least one of the VDOT thresholds identified in the Traffic Impact Analysis Regulations Administrative Guidelines (24 VAC 30-155) that would require a Traffic Impact Analysis to be submitted in conjunction with this application. A Traffic Impact Analysis, prepared in accordance with the Traffic Impact Analysis Regulations Administrative Guidelines (24 VAC 30-155), has been prepared and will be submitted to VDOT the same day.

RE: Approval of CUP-16-00, Lebanon United Methodist Church

Dear Mr. Carter:

At their meeting of November 21, 2000, the Hanover County Board of Supervisors, on a motion by Mr. Stanley, seconded by Mr. Gordon, voted to **APPROVE** the above-captioned request for a Conditional Use Permit for an expansion to an existing church on GPINs 8708-07-3335 and 8708-07-7417, subject to the following conditions:

1. The Property which is subject of the application shall be used only for a church facility and shall be developed in substantial conformance with the sketch plan, titled "Addition to Facilities of Lebanon United Methodist Church," prepared by Robert K. Carter, P.E., dated June 21, 2000, and revised October 27, 2000.
2. A site plan prepared in accordance with the requirements of Article 7, Section 6, of the Hanover County Zoning Ordinance shall be submitted for review and approval. The site plan shall incorporate all conditions of approval, and the conditions shall be shown on the plan.
3. The existing single family dwellings shall be removed or used as an accessory to the church and not as single family dwellings.
4. The Owner shall reserve thirty-five (35) feet of right-of-way along Peaks Road (State Route 657) and five (5) feet of right-of-way along Stumpy Road (State Route 654), to be dedicated upon request of the County, free of cost, and free of encumbrances interfering with the use for road purposes.

Mr. Robert K. Carter

5. All existing and future lighting shall comply with the requirements of Article 7, Section 1.4-7.
6. All requirements of the Virginia Department of Transportation, Public Works Department, Health Department, and Building Inspectors' Office shall be met.
7. All development and use of the property shall comply with all federal, State and local statutes, ordinances and regulations.

You cannot begin to use the property under these conditions until you have filed, with this office, a Final Site Plan under the provisions of Title I., Article 7, Section 6, of the Hanover County Zoning Ordinance which complies with the conditions of approval.

Approval of the Final Site Plan from this office is your authorization to proceed to file building permits or other construction permits to initiate the requested change.

Should you require any additional information concerning this matter, please do not hesitate to contact Mr. John Bender, Deputy Director, or Lee Garman, Senior Planner.

Sincerely,

Michael E. Crescenzo
Director of Planning

Community Meeting Notes

CUP2024-00003, Lebanon Methodist Church

A community meeting for CUP2024-00003, Lebanon Methodist Church, was held on April 16, 2024 at 6:00 pm at the church located at 8492 Peaks Road. The applicant is requesting a conditional use permit to allow a small school within the existing church building. No neighbors or citizens not associated with the church attended the meeting. The following Hanover County representatives were also in attendance:

Board of Supervisors: Jeff Stoneman, Beaverdam District

Planning Commission: Edmonia Iverson, Beaverdam District

Planning Staff: Gretchen Biernot

The applicant gave an overview of the plans for a micro-school (10-15 students) to use the existing church buildings and playground during the week. It was noted that no changes to the exterior of the building or the site are planned with this request. Staff also discussed the next steps of the conditional use permit process.

This case is tentatively scheduled for the May Planning Commission meeting.

NOTIFICATION OF COMMUNITY MEETING

DATE: March 28, 2024

Conditional Use Permit Amendment Applicant: Lebanon Methodist Church, Inc.

Property Location: 8492 Peaks Road, Hanover, Virginia 23069

GPIN(s): 8708-07-7417

Requested Zoning District: Beaverdam

Lebanon Methodist Church, Inc. would like to expand how we engage and serve our local community by adding our ability to host a micro-school on church property. It is our intent to focus on working with local, Christian, micro-schools to offer an alternative education experience and expect the micro-school to be small, initially serving 10 - 15 students during the August - June school year. We believe that the traffic impact of this additional use of our property would be minimal and would be primarily limited to the typical drop off and pick up times of 8 am and 3:30 pm, Monday - Friday during the school year.

We would like to invite you to join us, along with Beaverdam Supervisor Mr. Jeff Stoneman, and Beaverdam Planning Commissioner Ms. Edmonia Iverson at a **Community Meeting on Tuesday, April 16th at 6 pm** so we can share details about our plans and give you a chance to see our facilities.

Our application is available for viewing at the Hanover County Planning Department. Should you have any questions or comments, please contact the Planning Department at (804) 365-6171 or reach out to me directly at our church office, 804-746-0980.
