**It is the responsibility of the contact person to provide copies of all correspondence to other interested parties to the application.

EXPLANATION: (Attach additional sheets, if necessary)

1. This Special Exception is being requested in order to: Construct buildings up to 85 feet in overall height, and
install fencing around the site up to 10 feet in height for security measures.
See Sheets 9, 10, 12 and 13 of the Conditional Use Permit Set prepared by Timmons Group,
and submitted with associated conditional use permit application.
2. Briefly describe how you plan to develop the property for the proposed use and any associated uses. _____

The rezoning is to allow for commercial and light industrial uses, in the Development Area as shown on the
Concept Plan. BMP Area and other environmental area in the rear of the site are shown on the Concept Plan. See also
associated conditional use permit application.

3. Describe why the proposed use or exception is desirable and appropriate for the area. What measures will be taken to
assure that the proposed use or exception will not have a negative impact on the surrounding vicinity? (For example, this
may include traffic or environmental impacts.) There are mature trees and vegetation that will remain in place at
the site to provide screening. The industrial employment center development is expected to be a low impact use of the site.
See Proffered Conditions for noise mitigation. The proposed uses are consistent with the designations in the County's
Land Use Plan, Planned Employment Center and Economic Development Zone area.

4. Are there any deed restrictions concerning the type of use proposed? If so, provide the date the said restrictions expire.
(You may attach a copy of the restrictions.) No.

5. Is the subject property located in a Dam Break Inundation Zone? ☐ Yes ☒ No (Please contact the Department of
Planning or Public Works for assistance in addressing this question.) If yes, please contact the Department of Public
Works for further information.
